- **Reasonable Fluency Dt**

Is the date a student is designate to be reasonably fluent in English

- **RFEP Dt (Redesignation Dt)**

The Date when the student was designated RFEP

- **Code**

The code assigned to a student designated RFEP

- **30 Day 180 Day Code**

Are Codes assigned to a student after follow up

- **1 year, 2 year, 3 year, and 4 year Follow Up**

Are the follow up dates from the date entered in the RFEP Date Field

- **1 Yr Code, 2 Yr Code, 3 YR Code, and 4 Yr Code**

The calculation then skips summer days and then assumes the first day of school for next year (based on the current year calendar) and continues. Then, the 180 Day Follow-up date is based on 180 valid days form the date of a student's designation (RFEP.DT) not 180 calendar days.

Home Language Survey (HLS)

- CDE contains legal requirements which direct schools to assess the English language proficiency of students
- HLS assists in determining if a student's proficiency in English should be tested
- HLS must be completed for every new student who enrolls for the first time into a California public school regardless of the language(s) that are spoken at home.
- Typical questions asked on HLS
 - Which language did your child learn when they first began to talk?
 - Which language does your child most frequently speak at home?
 - Which language do you (parents/guardians) most frequently speak with your child?
 - Which language is most spoken in the home?

IF THE ANSWERS ARE MISSING. DO NOT GUESS!!!

Language Instruction Codes

Effective 2019/2020, the CDE has developed a list of Language Instruction Programs (LIPs) for English Learners. Previously, districts reported English Learner participation in English language acquisition programs by “course” and not by student. Districts will now report this data by student in the SPRG file.

Students will be required to have a Program Eligibility Start Date (PGM.ESD) and Program Eligibility End Date (PGM.EED). Since the LIP codes became effective, the Program Eligibility Start Date (PGM.ESD) needs to be after 7/1/2019. Going forward, the date can be earlier than the enrollment record as districts are not required to close out LIP program records. LIP program records remain open until the student is exited from the LIP program.

Displayed below are the new LIP Program Codes (PGM) and the Retired Instructional Strategy Codes.

New Education Program Code	Name of New Education Program Code	Retired Instructional Strategy Code	Name of Retired Instructional Strategy Code
300	LIP – Developmental Bilingual Program	600	English Learner Bilingual Program
